

## 2024 - Guided Tours of TSG Center

Join us for an inspirational tour of our new award-winning TSG Center, situated in the beautiful, sprawling thirteen-acre Sonoran Desert landscape.

The tour begins in the lobby of the entrance to the Center to sign in and meet your guide. Throughout the tour, your guide will welcome your questions. You will visit the impressive TSG library, the serene and peaceful sanctuary, and the extensive bookstore. You will then step outside into the beauty of the Sonoran Desert to experience its natural splendor. Explore the architecture of the building, the natural water feature, the bridge, the meditation and joy gardens, and take a stroll along the walkable paths. The tour finishes back in the lobby for any final questions.

### Safety Requirements

The TSG Center is situated in an open desert environment. For your safety when walking in the outdoor grounds, please wear sturdy, closed-toed, flat shoes. A hat, sun protection, and a bottle of water are recommended. For nature enthusiasts, bring your camera and binoculars.

To help protect the beauty of the Center, no food, drinks (except for your water bottle), or pets are permitted in the building. Adult-accompanied children are welcome.

Tours are available only when the weather permits. Please walk along the designated paths at your own risk and only with the assigned tour guide. Be mindful of the surrounding desert landscape and do not approach critters or touch or pick any desert plants.
